

SUMMER RESEARCH FELLOWSHIP (EU LAW) 2025

Applications
are now
open

This 8-12 week fellowship is remote-first with an in-person week in Brussels, Belgium, or Cambridge, UK, that offers law students, professionals, and academics the opportunity to work at the leading edge of AI, law, and policy, focusing on EU law and the EU AI Act.

THIS OPPORTUNITY ALSO INCLUDES:

- €1,200 weekly
- Covered travel expenses for the in-person week, including flights, accommodation, and meals
- Close mentorship and career support from our research staff and affiliates
- Q&A sessions with leading experts
- Opportunities for direct engagement with policymakers, government officials, and private-sector leaders
- Potential pathways to permanent roles at the Institute for Law & AI and other organizations

EU COHORT 1

starts June 23, 2025

flexible end dates August 15 – September 12

EU COHORT 2

starts August 4, 2025

flexible end dates September 26 – October 25

We look forward to
reviewing your application!
