

## CONFIRMATION OF STAY ACADEMIC YEAR 2019/20

The Confirmation of Stay Part I must be completed and signed within two weeks of commencing study-related activities at the host university. The completed and signed document must then be scanned and uploaded into the Mobility Online database. At the end of the Erasmus mobility, the second part of the Confirmation of Stay certificate must also be completed and signed by the host university, then scanned and uploaded by the student. Please note that only this certificate provided by Universität Hamburg will be accepted as confirmation of the Erasmus mobility. This document must be signed by the host university at the **beginning** and **after the end** of the study related activities (each time within two weeks).
